

Thirty-Five Groups Sign For Carnival Day JUBILEE CO-OPERATION URGED

VOL. XXV SAN JOSE, CALIFORNIA, FRIDAY, APRIL 16, 1937 Number 114

Huge Concession Sign-Up Promises Gay Spardi Gras

BOOTH CONSTRUCTION TO BEGIN IN QUAD NEXT WEEK

Thirty-five organization representatives crowded the doors of the council rooms yesterday at noon, and after an hour had elapsed, each group had signed for the favorite concession and location in the quad. The systematized sign-up procedure, under the direction of Spardi Gras chairman Jack Gruber, did away with congestion, and an unusually quiet sign-up was taken care of by Gruber and his assistants.

Many groups had representatives waiting at the council room doors as early as eight o'clock yesterday morning, and by eleven the line of students had reached well out into the rear quad.

COLORFUL EVENT

The results of the sign-up of concessions promise to make the annual carnival day on April 30 one of the most colorful and diversified in the history of the event.

Iota Sigma Phi's Dance Tomorrow

Scheduled for tomorrow night is "Spring Dance", annual Iota Sigma Phi semi-formal to be held at the San Jose Elk's club from nine until one o'clock.

Elwood Hart, whose orchestra played for the recent President's Ball, will play for the affair.

Bids may still be purchased from members of the fraternity, who can be distinguished by the bands on their arms. Bids sell for \$1.25 each.

Bob Boucke, and a mysterious girl vocalist whose identity has not been divulged, will carry on the honors in the entertainment line.

Bids may also be secured at the controller's office and from the following people: Richard Norona, Mendes Nepote, Fred Hair, Bill Castro, Curly Walker, Victor Silveria, Nick Germano, Tom Tassi, George Chambers, Ralph Hiegel, Bob Hickey, Jack Reynolds, Warren Torney, Bert Vossler, and John Giovannoni.

German Club Elects

Ralph Grebmeir was elected president of Der Deutsche Verein, honorary German society, at a meeting of the group following a barbecue at the home of Gail Curry Wednesday evening. Jeanne Morehead was named vice-president and Beth Learned was chosen secretary-treasurer.

Jim Bailey Plans More Ambitious Revelries Scenes

Man-Sized Candles, Movable Framework Feature Staging Of Show

A more ambitious scenery plan is being undertaken for this year's Spartan Revelries than in any previous presentation of the annual show, according to Jim Bailey, director.

One large set is being constructed, and when finished, will run the width of the stage and stand about seven feet in height. It is being painted in various striking shades and will be lighted by powerful colored spots.

The set is so constructed as to make it possible to be used in several different acts. Its large framework was built in sections to insure movability, and so that it may be changed into entirely different looking shapes. This is to be done in two of the scenes during the show.

During one of the chorus sequences a line of ten girls will do an entire dance while still upon the raised set.

Another set which is under construction for the performance, is to be done entirely in black and white. It will consist of a series of six large candles, representing the burning of mid-night oil, set in a semi-circle upon the stage. Each candle is large enough to hide a man. These too, will be lighted with varied colored spots.

School Theater Party To Be Given By Kappa Phi's

Plans are now being formulated for an all-school theater party to be held at the Hester Theater on April 22 and 23. Sponsored by the Kappa Phi club, tickets are selling for 30 cents and may be purchased in the Publications' office or from any member of the Kappa Phi group.

"Lloyds of London" is the picture which is to be shown and tickets for the production are valid on either Thursday or Friday night.

State Frosh Debate With San Francisco U.

Arrangements are being completed for a debate between the San Jose State freshmen and the University of San Francisco freshmen April 26 at 8 p.m. in the bay city.

The local team will be composed of Kenneth Helvy and Dale Borden. They will uphold the negative of the question, "Resolved, that Congress should have the power to fix minimum wages and maximum hours for industry".

Dr. Mosher Explains Celebration Details; Speakers Announced

STUDENT SUPPORT IN JUBILEE CELEBRATION ASKED IN TALK TO ORGANIZATION HEADS; LLOYD DOUGLAS TO ATTEND

By BEN JOHNSON

Asking student support in their respective departments, Dr. Raymond Mosher last night at the campus organization meeting explained in detail the plans for the coming San Jose State college Diamond Jubilee.

Speakers Dr. Walter Dexter, State Superintendent of Schools, Dr. Robert Gordon Sproul, president of the University of California,

Dr. Frank Thomas, president of Fresno State college, and Governor Frank. F. Merriam are the highlights of the 75th birthday celebration, stated Dr. Mosher, paralleling in importance the pageantry of music and drama as expressed by student and departmental productions of Peer Gynt and symphony orchestra. The concert will be directed by the world-famous musician, Rudolph Ganz.

DR. MOSHER SPEAKS

Dr. Mosher expressed his thanks for the interest and volunteered service by campus organizations, and stressed the fact that student support is essential for the success of the occasion.

Tickets for the symphony concert are free and may be reserved (Continued on Page Four)

Deadline Set For Senior Fees

Saturday, April 24, has been set as the last day for seniors to pay credential fees. Everyone who has failed to take care of this matter should do so immediately if he expects to graduate in June.

Instructions given on the mimeographed forms obtained when application for graduation was made should be followed in this matter, according to an official notice from the Registrar's office.

Orchesis Program Set For April 28

Theme To Differ From All Preceding Recitals

The annual Spring concert given by Orchesis, honorary dance group, has been scheduled for Wednesday evening, April 28, in Morris Dailey auditorium.

Built upon a different theme from any of the preceding Orchesis recitals, the program will stress the growth of modern dance from technical movement forms to completed composition. Included in the first group of technical demonstrations will be the Progression in Elevation, which was presented at the Stanford University Dance Symposium on April 10.

A group of lighter numbers, satirical comments upon society, will be presented in the second group. "Sketch for a Dance Cycle" will be the last part of the program and will climax the portrayed growth of dance movement. In four movements, the first quite widely separated from the last three, a thread of continuity binds the whole together.

Jean Stirling Long and John Andrews, both well-known in musical circles, are accompanying and composing for the dance program. It will be directed by Miss Margaret Jewell, Orchesis advisor.

The schedule of the San Jose State college bus which was to leave daily at 5:05 this week to the Southern Pacific station has been discontinued due to the fact the small number of passengers appearing did not warrant its continuance.

Rehearsals Begin For Ibsen's Play

Rehearsals for the all-college presentation of Henrik Ibsen's "Peer Gynt" on May 21 in the Civic auditorium are now in progress, according to Mr. Hugh Gillis, director of the production.

Jim Clancy, former outstanding member of San Jose Players and member of the Speech faculty at present will play the title role, supported by faculty members Dr. Dorothy Kaucher as Ase, Mr. Lawrence Mendenhall as the Button-Molder, Miss Margaret Jewell as the Green Clad One, and Mrs. Virginia Hamilton Jennings as Anitra.

OTHER ROLES

Other important roles will be filled by students Jeanne Bronson as Solveig, Bill Gordon as the Troll King, Race Kent as Begriffenfeldt, Dorothy Leverenz as Ingrid, Henry Marshall as Aslak, and Lavelle Smith as Helga.

Over 150 persons will be used in the play, with nearly every speech major taking part. Grieg's "Peer Gynt" suite, will be played as incidental music by the symphony orchestra under the direction of Mr. Adolph Otterstein, while dancing scenes will be led by Miss Margaret Jewell.

COSTUMES

Costumes and sets have been designed by the Art department, and they are now being constructed by students in the Home Economics and Industrial Arts departments under the supervision of Mr. Judson Aspinwall and Miss Martha Thomas.

Interesting sidelants for the day include one on the well-known King of Jazz, Paul Whiteman. It seems that just before the last war, the three hundred pound mid-ged decided to join Uncle Sam's Naval Forces. Upon this country's entry into the battle, the Navy department decided that due to a lack of common Gob uniforms of size big enough to fit Whiteman, they would make him a musician instead. The result was the formation of a 40-piece band under the rotund lad's leadership. And from that, dear little children, sprouted JAZZ.

EVERY ONCE in a while we get an irresistible urge to eulogize some grand old trouper who is still on top of the heap after years in the business and today's bon mot is for Sophie Tucker, the self-styled 'last of the red-hot Mammas' who is still wowing 'em wherever she appears. Sophie rode to glory on the post war tide that ushered in Ted Lewis and her famous encore, 'Some of These Days'. Although her style is somewhat outmoded (she still conn-shouts while the present stuff is la-de-yah) she is a reigning favorite in London and we in America hear her once in a while as guest artist on the Rudy Vallee hour or the Kraft Music Hall.

The fact which inspired this thumbnail sketch was an article I read somewhere stating that la belle Tucker is about to do a moom-pitcher for MGM—specifically—the Big Broadcast of '37. Which item brings to mind that Sophie was a pioneer in the talkies also. She did Honkey-Tonk for Warner Brothers in 1929. OPPOSING VIEWS GIVEN BY MEN, WOMEN IN INTERVIEW ON DOWRIES

By STOVER TREMAINE

Girls, how would you like to support your husband by getting your old man to donate a dowry as set forth by Miss Marcia Frisbee, state co-ed, in her plea to introduce the dowry system into America?

"I think the dowry system to aid young couples is a dumb idea," stated Coral Kluge, journalism major. "It would be all right as a last resort if it was the only

way a girl could get her man," she said.

HE WANTS
A VACATION

"I believe dowries would be a darned good idea," declared Tom Gifford, campus crooner. "It would give the man a chance to set up in business or take a vacation or something."

"It isn't plausible for girls at State," asserted Lorraine Callander, drama major, "because nine out of ten of their fathers haven't enough money. If I were to announce suddenly that I was to be married and needed a dowry, my father would have to sell nine or ten acres of the ranch."

"Since the guy has to support the gal after they're married, the girl ought to put in something before," Jim MacGowan, pre-med student contended.

IT'S A
RACKET

"I think it's a stupid idea," stated Vivian Erickson, journalism major. "No husband is entitled to the sum of money it would take to support a girl for five years. Besides there would be a temptation for men to go around marrying girls for their dowries. The whole thing might develop into a racket," she declared.

DICK WOULD
START COURTING

"I'm in favor of dowries. If I could run into a nice young maiden with plenty of money, I would start a nice courtship," said Dick Brown, future business executive. "Money isn't everything, but it helps," he added.

Track Men Meet Cards Today

Bendeich, Todd Given Chance For 1st Places

Broad Jump, Javelin, Pole Vault, Sparta's Best Bet; Stanford May Sweep 440, Hurdles

Meeting Stanford varsity today at four o'clock within the confines of the Indian reservation's Angel field is the large slice of the ambitious Spartan varsity and frosh track squads have cut for themselves.

Knowing that track scores run in large figures the lads from Washington will probably not be out for any upset but will be out there with their backs to the wall fighting for every point and the possibility of taking two first places.

BEST CHANCES

The Spartans in their main hopes on the distance jumping of Charles Bendeich and the possibility of squeezing in Al Parr for a second in the broad jump. Lowell Todd will be a decided favorite in the javelin event with freshman Presley given a chance for third. Todd's 207 foot heave last week is still top money as far as javelin tossing anywhere on the coast has gone this year.

With the possibility of taking the 440 by a clean sweep, the Indians will be running their best men including the 47.8 running Malott. Weirhauser. of Stanford should romp home easily ahead of the field in the 220 dash and the low hurdles. However, Collins of the State varsity might break into the scoring column in the quarter mile with Thurman given a slim chance to take second in the low barriers over Spartan Captain Cammack and Stanford hurdlers.

FRESHMEN

Anthony Sunzeri of the State freshmen will have some show in the pole vault while Harvey Brooks will probably fail to place among the faster company in the sprints. Henry Vasconcellos competing in the high jump and pit scanning events is about due to reach his own form in the broad jump and might be leaping into the score column for the Spartans with Grant a chance to show in the high jump.

ENTRIES

Sprints—Brooks (F), Brown (V), Pierce (V).
440—Collins (V), Taylor (V), Sawtelle (V).
880—Sawtelle (V), Green (V).
—Mile and two mile—Gates (V), Malbon (V), Ruble (F).
High Hurdles — Cammack (V), Friday (V).
Low Hurdles — Cammack (V), Thurman (V).
Shot and Discus—Fosberg (V), Presley (F).
Javelin—Todd (V), Argilla (V), Manoogian (V), Presley (F).
Pole Vault—Sunzeri (F), Skidmore (F), Staley (F), Watson (V).
Broad Jump — Bendeich (V), Parr (V), H. Vasconcellos (F), E. Vasconcellos (F).
High Jump—Grant (F), Barbano (F), H. Vasconcellos (F), E. Vasconcellos (F), Pool (F).

FROSH MAINTAIN UNDEFEATED RECORD

Bringing their dual meet season to a close, the San Jose State college freshman swimming team walked over Palo Alto high school yesterday afternoon in Spartan pool to the tune of 52 to 14.

Al Wempe was the shining star of the afternoon as he came through with his best times of the season in the two sprint races.

GOOD TIMES

In the fifty yard free style, Wempe turned in the sparkling time of :25.4 while in the century, the big boy from the Canal Zone at the finish line the winner to top the watches in the outstanding time of :57.6.

Yesterday's meet was the sixth of the season of the dual variety for the Spartan yearlings in which the team has gone undefeated. Stanford freshmen, Sequoia high school, and the Stockton junior college are among the victims.

DEAD HEAT

The 220 yard free style was the closest race of the day in which Captain Martin Wempe and Wally Kemper hit the rope in the same motion to finish in a dead heat with a time recorded at 2:27.2.

This afternoon the Spartan frosh and varsity will meet Menlo junior college in the latter's pool at four o'clock. This a return meet. The Spartan varsity came out the winner in the previous contest by an overwhelming score.

INTRA-MURAL SPORTS

By CHET SPINK

Intra-Mural baseball got off to a good start last Tuesday when two enthusiastic and hard fought battles came to a close with the Jayseers trouncing the Out-of-Towners by a score of 21-18 and the Rabble putting the Commuters on the mat in a 24-18 victory.

The Rabble-Commuters game was a one sided match as the score indicates. Don Williams went onto the mound for the Rabble and cut the corners in a series of innings that tied the hands of the Commuters.

The Out-of-Towners, playing in the west field, had the upper hand over the Jayseers until the ninth inning when the Jay See men ran hot over the bases building up a substantial lead.

SPARTAN RACQUETEERS TOP PORTLAND; MEET STANFORD JUNIOR VARSITY TOMORROW

Four Spartan netmen of the lower brackets yesterday afternoon took three out of five matches with Portland university on the windy San Jose Tennis club courts after the northwesterners arrived two hours late and the top racqueteers of the local squad had left. The Oregon men, en route from San Mateo were delayed by tire trouble and all but four of the local courtmen had left.

The four-man team is on a two-week barnstorming tour of California and have already defeated Humboldt State college and Menlo junior college. They have a number of other matches scheduled before their return to the Northwest.

Number one man of the Portland squad is Lloyd Hager, junior champion of the Pacific Northwest. He was hard pressed in three long sets to score over Frank Olsen, regular No. 4 man who played first singles. The score was 6-4, 2-6, 7-5. George Kifer, No. 6 on the ladder, dropped the match to

Darrel Kelly, 6-3, 6-4, in the second singles.

Jack Warner, No. 8 man, easily trounced Ernie Knopf, 6-1, 6-4, while Don Graves topped Fred Crabbe, 6-3, 6-4.

Due to approaching darkness only the first doubles was played with Graves and Kifer winning, 6-4, 2-6, 7-5, over Crabbe and Knopf of Portland.

Tomorrow morning the local netmen meet the Stanford junior varsity at 9:15 on the Palo Alto courts.

Next week the locals resume conference play when they meet the powerful University of San Francisco and the College of Pacific teams for the second time.

Coach Blesh announced yesterday that San Jose State would definitely send two singles and one doubles team to the Ojai Valley tournament in Southern California April 22, 23, and 24. Ladder play is now in progress to determine the local representatives to this annual net classic.

FIRST MARLAIS SPORTS POLL

Introductions In Order

* * * * *

VOTE TO BE TAKEN SOON

By WALT HECOX

Previous to last Spring, idle Spartan Daily sports writers sat around the publications office of San Jose State college twiddling their thumbs, yawning now and then, and trying to find a way to tilt their chairs back far enough to be comfortable and yet be safe. And the editor? He would cuss a wee bit, write long columns, and tell the news editor he could put all he wanted on the sport page. Of course this was only during the spring quarter.

BAD PERIOD

Spring, it seems, was a particularly bad time for the Spartan Daily sports staff. Metropolitan papers find such things as Major League baseball, professional prize fighters, horse races, and, when they are desperate, professional wrestling matches, to liven up their account of the day's sporting events. With the Spartan Daily this was not so. Baseball, boxing, swimming, wrestling, and the other space fillers would die out. Toward the middle of the quarter track drew to a close, and the sports staff was left with Spring football and Intra-mural sports. This, of course, was before last Spring.

BORED

It was in the Spring of '36 that Jim Marlais, bored with inactivity,

decided that space on the sports page was being wasted. He approached Sports Editor Gene Gear with an ingenious idea and Mr. Gear adopted the idea immediately. It was called the All-Spartan Sports Poll, and was used for the first time last Spring with smashing success. This year, as the Marlais Sports Poll, it will be run again.

APRIL 26

April 26 is the day that has been chosen for release of the first results. Ballots will be distributed among the captains of all Spartan athletic teams each of whom will vote for the 11 athletes he thinks are the most outstanding in the college, and the second annual sports poll will get under way. In the meantime we feel that an introduction to a few of the various outstanding athletes around the college is in order.

INTRODUCTIONS

Such men as "Bull" Lewis, Glenn DuBose, Howard Withycombe, Stanley Griffin, Don Walker, and Walt McPherson need no introduction. Their names have flared into headlines frequently enough to introduce them to any sports fans. But there are others. Jack Fiebig, Dickey Main, Jack Riordan, and Georgie Latka—all who are deserving of as much praise as any of the better known names. It is an introduction to

Townsend Essays May Be Given To Dr. Barry

Essays for the Townsend contest may be turned in to Dr. Barry, head of the English department rather than be sent to the Townsend National Weekly, according to Dr. Raymond Barry, head of the English department.

FOOTHILL FALLS GOAL OF CLUB IN QUARTER'S FIRST HIKING ACTIVITY

Guadalupe Falls, in the south-eastern foothills will be visited by members of the college Hiking club Sunday on their first trip of the quarter.

Anyone who enjoys hiking is invited to join the group which will meet at 9:00 Sunday morning at Seventh and San Antonio streets. Leader of the hike will be Al Lane, and Mr. William McCoard of the Speech department will be guest faculty member.

Cars are needed for transportation, and all drivers will be paid expense money. A charge of 15 cents is made of those who do not have a car.

Those who come Sunday morning should bring a lunch and should wear old clothes.

Placid Anella Elected Commerce Club Head At Tuesday Meeting

Placid Anella was elected head of the Commerce Club for the Spring quarter at a meeting of the organization on Tuesday evening.

Others elected were: Phyllis Milano, vice-president and Betty Bately, secretary and treasurer. Uuncio D'Acquisto, the out going president, took charge of the meeting and the election.

The Commerce all-day picnic, an annual affair, was discussed and it was decided to have it at Santa Cruz in the latter part of May. The committee, headed by Catherine English, is looking into the matter and working out the final plans, according to Placid Anella.

Another committee, headed by Tony Morelli, is planning the concession for Spardi Gras day.

Thirty-Five Groups Pick Concessions

(Continued from Page One)

and soda pop to many original ideas with prize awards, each choice underwent the close scrutiny of Chairman Gruber so that no two concessions were the same. Of the thirty-five ideas listed, not over fifteen were of the food-selling type. The others included pledge ducking, tomato throwing, bottle breaking, fish ponds, balloon breaking, and many other novel ideas that lend to the carnival spirit.

Any group that failed to sign yesterday must see Gruber personally today as no further open sign-up will be held.

WORK BEGINS

Work on the construction of booths for Spardi Gras day will begin soon under the management of Warren Tormey. Undoubtedly the hardest work leading up to the traditional festival, the construction of the booths in the quad will need the aid of many able-bodied men on the campus, according to Gruber. Service organizations and many individuals have already signified their intentions of aiding in the building, but many more workers are needed. Those interested in doing their bit to make the Spardi Gras a success should contact Warren Tormey or carnival heads as soon as is convenient.

Pries for the groups operating prize-giving concessions have been secured and will be ready for distribution on April 30, Spardi Gras morning, from 7 to 9 in Miss Dimmick's office.

SENIORS CHOOSE SNEAK DAY COMMITTEE HEADS; FRESHMEN HAVE PROGRAM

WELCH SELECTED CHAIRMAN OF GROUP

With James Welch named chairman of Sneak Day activities and Barton Wood put in charge of the gift committee, the senior class officially began its preparation for Senior Week in orientation yesterday, according to President Bob Rector.

In addition to these committee heads, an executive group has been chosen to be in general charge. Members of the committee include James Welch, Bob Rector, Alice Wilson, Harold Kibby, Myer Ziegler, Karl Drexel, Helen Hohmyer, Paul Becker, Bill Thurlow, Les Carpenter, Pearl Bird, Harry Brakebill, Frank Bettencourt, Marion Starr, and Thelma Fisher.

Included in yesterday's orientation program were "Trust in Me" and "Your're Slightly Terrific", sung by the Rhythmic Co-eds, a girls' trio; "Stardust" and "Whispering", played by Gene Stephens, trombonist; and "Sylvia" and

FROSH HOLD FIRST MEET OF NEW QUARTER

At the first meeting of the spring quarter, the freshman class presented a program yesterday in the Morris Dailey auditorium featuring the music of class artists and Spartan Revelries performers.

Kenny Olson, Leo Shortino, Creighton Thorup, and Mike Swezey all contributed to the short program before a scattered audience of class members.

The southern county group of the freshman class will put on the next in the series of bi-monthly programs April 29, according to class prexy Hamilton Hodgson.

Freshman of beef and brawn were called upon to contribute their manly strength to the freshman tug-of-war team of twenty-five, which will battle the sophomore class team on Spardi Gras day. John Knight is in charge of the freshman team.

"Tramp, Tramp", from "Naughty Marrietta", sung by Kenny Olsen.

Dr. Gayle Pickwell, State Zoology Professor, Writes Book On Weather

Students of meteorology will be interested to learn of the publication of a book, "Weather" (Hugh F. Newman Company) by Dr. Gayle Pickwell, professor of Zoology of San Jose State college.

There being few books dealing with weather conditions, Dr. Pickwell's book is a welcome addition to this field, according to students here.

KINDS OF CLOUDS

Dr. Pickwell has made a study of weather and in his book treats causes of atmospheric changes and also explains the different types of clouds.

"Everyone complains about the weather but no one does anything about it," Mark Twain once remarked, but scientists are now intensifying their research work dealing with weather due to the growth of aviation.

Born in Murdock, Nebraska, Dr.

Pickwell had an excellent opportunity to study cyclones and the cyclonic phenomena, the tornado.

In his book, Dr. Pickwell also deals with dust storms, floods, and droughts that occur in the United States.

RENOWNED SCIENTIST

A renowned scientist both in the laboratory and in the field, Dr. Pickwell has made many contributions to meteorology and zoology. His Natural History pictures are among the finest in the country.

NEBRASKA GRADUATE

Graduated from the University of Nebraska in 1921, where he studied journalism and law, Dr. Pickwell later changed his objective and taught zoology at the university.

He has been teaching here since 1927.

His book is the April selection of Young Wings, a book of the month club.

Spartan Daily Group To Honor All Former Journalistic Heads

Instilling an historical atmosphere into the Publications department, members of Sigma Kappa Delta, honorary journalistic fraternity, are planning a photographic row, consisting of the pictures of former editors of the State College Times and the Spartan Daily.

This effort comes in conjunction with Diamond Jubilee activities, which will include a homecoming of former editors, news editors, and feature and sports heads.

As the first social get-together of the quarter, the group plans a closed party for active and alumni members, to be held April 23. Bill Rodrick is in charge of arrangements.

A Spardi Gras booth will be taken over by the organization, under the chairmanship of Emmet Britton.

Choir Group Features Exceptional Low Bass Section

The college A Capella Choir, soon to leave on its fourth annual tour of the state, will feature an unusually fine bass section, according to Mr. William Erlendson, director of the group.

It is unusual to find such a low bass section in a college group, says Mr. Erlendson, who states that much has been made of Russian basses singing in low c's and d flats, while the San Jose State choir has several second basses singing low c and two singing low g below low c.

Included in the choir's repertoire are several songs from the Russian church Liturgy which display these voices to an advantage.

Hamlin's Orchestra To Swing For A.P.O.

Combining a full moon, Lee Hamlin's orchestra and the Devonshire Country club as a triple treat setting to San Jose State dancers, Alpha Pi Omega will present its annual "Full Moon" dance next Saturday, April 24.

Hamlin's orchestra was recently voted the most popular dance band on the University of California campus and will play this summer at the Royal Hawaiian Hotel in Honolulu.

Bids may be obtained from any member of the fraternity, or at the Controller's office.

Varsity House Offers Prizes At Card Party

With mysterious "unusual" door prizes being offered by the boys of the Varsity House as well as 20 other such prizes, plans for the San Jose State college Patrons Association dessert-card party May 12 at the Catholic Women's Center are near completion, according to Mrs. C. C. Gilliam, president of the group. Although both bridge and whist will be played, all guests do not have to play. A drawing will be held for all prizes.

Money raised from the affair will go toward the furnishing of an emergency bed for the Varsity House as well as lamps and other necessities.

Mrs. Leo Price is general chairman for the party.

FOURTEEN "PRINCIPLES OF ART" STUDENTS TO TOUR SUPPLY HOUSES

Fourteen State students from the class in Principles of Art will tour a number of art supply houses in San Francisco tomorrow. Planning to leave in the morning, the class will study exhibits at Gump's, Amberg Hirth's and Sloan's.

Mrs. Bright's pictures house will also be a particular place of interest where the students will be shown the pictures she has in stock.

The students plan to visit the Coit Tower where they will see the murals which have recently been completed.

A short stop at the San Francisco Museum and a tour of Chinatown will end the trip. While in Chinatown, the class will inspect pottery and vases.

The purpose of this trip, according to Mrs. Turner, art department head, is to build up a knowledge among art majors of where art materials and artist's supply centers are located in San Francisco.

Varsity House Elects Buffa, Stone, Malbon To Offices Wednesday

Harold Buffa was elected to the presidency of the Varsity House for the coming quarter at a meeting held Wednesday. Bob Stone was re-elected to the post of house manager, while Chuck Malbon was elected secretary-treasurer.

The house decided to accept the proposal of having a side show concession in the Spardi Gras affair.

With the raffle of the varsity blanket sales almost complete, newly elected Hal Buffa urged those members to complete the sale of the fifty odd tickets.

Maud Russel To Be YW Dinner Speaker

Featuring Maud Russell, until recently Secretary of the YWCA in China, as guest speaker, the college YWCA is giving a dinner at Scofield Hall next Tuesday.

"China and World Peace" is the topic Miss Russell has chosen for her lecture.

A graduate of the University of California in 1915, Miss Russell has had nine years experience in the foreign country as secretary in the China YWCA. She has been working through the foreign division of the National Board in New York.

Tickets for the dinner which begins at 5:30 p.m., may be purchased for 25 cents at the YWCA office.
